We are starting play next Wednesday the 30th. We still have room for one more team that would bring us to 10 teams total with no byes. I am waiting for a confirmation of the additional team right now. Below are the week 1 matches. Both captains binders will be dropped off at the 1st match location. BCA sanction fee's will be due week 1. If you have already paid a BCA sanction fee since June 1st 2019 you will have to write the league name and number on the sanction form and that the player is already sanctioned. Please complete the sanction form week 1 as well.
